Leave Policy

Effective Date: January 1, 2026 | Version 2.1

1. Purpose

This policy outlines the types of leave available to NorthPeak Solutions employees, eligibility requirements, and the process for requesting time off.

2. Paid Time Off (PTO)

Full-time employees accrue PTO based on tenure, usable for vacation, personal time, or illness. Part-time employees accrue PTO on a pro-rated basis.

Years of Service	Annual PTO Accrual
0 - 2 years	15 days
3 - 5 years	20 days
6+ years	25 days

PTO accrues monthly and may be carried over up to a maximum of 5 unused days into the following calendar year. Unused PTO beyond the carryover cap is forfeited unless state law requires payout.

3. Sick Leave

In addition to PTO, employees receive 8 paid sick days per year for personal illness, medical appointments, or caring for an immediate family member. Sick leave does not carry over and is not paid out upon separation.

4. Holidays

NorthPeak Solutions observes 10 paid company holidays annually, including New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day and the day after, and the week between Christmas and New Year's Day.

5. Parental Leave

Eligible employees (90+ days of service) receive 12 weeks of paid parental leave following the birth, adoption, or foster placement of a child. Leave may be taken within 12 months of the qualifying event and can be split into two blocks with manager approval.

6. Bereavement Leave

Employees may take up to 5 paid days for the death of an immediate family member and up to 2 paid days for the death of an extended family member.

7. Jury Duty and Voting Leave

Employees summoned for jury duty receive paid leave for the duration of service upon providing documentation. Employees are also granted up to 2 hours of paid leave to vote in public elections if their work schedule does not otherwise allow sufficient time.

8. Unpaid Leave of Absence

Employees who have exhausted paid leave may request an unpaid leave of absence for medical, family, or personal reasons, subject to manager and People Operations approval. This includes leave protected under the Family and Medical Leave Act (FMLA) where applicable.

9. Requesting Leave

- Submit leave requests through the employee self-service portal at least 2 weeks in advance for planned absences.
- For unplanned absences (e.g., illness), notify your manager as soon as possible, ideally before the start of the workday.
- Leave requests longer than 5 consecutive days require People Operations approval in addition to manager sign-off.
- Extended medical or family leave should be coordinated with People Operations to determine eligibility under applicable leave laws.

10. Policy Administration

People Operations administers this policy and may grant exceptions on a case-by-case basis. This policy will be updated as needed to comply with changes in applicable law.
